Old Business: (Items from last meeting):

- Town Council has extended an invitation to WGM students to do a Councillor or Mayor for a day. Would CES be interested?
 - We asked and it does not fit great into the grade 5 curriculum. The teachers are okay to pass it along to WGM
- Telus WISE presentation
 - From Wendy McKee, WGM School Council President
 - At the beginning of the year Telus gave a presentation to the students about Internet and Smartphone use, including safety and security for users. It gave many useful tips on how to help keep your family safe online. We thought it would be very informative for parents as well and would like to explore both councils partnering together to present this information to parents. At this late in the school year, we will be tabling it until next but it might be something to keep in mind.

New Business:
